MEMORANDUM FOR:

Office of Legislative Counsel

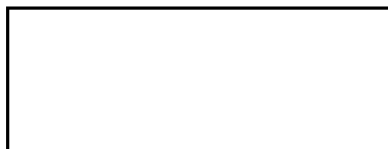

Bill

1. Attached is a request from the SSCI for assistance in the drafting of language for CIA authorities.

2. As you know, I have decided that we should honor these requests for the interim period. Could you and your colleagues have a try at some language and get it to me by close of business on April 13? I will then decide what would be the best form of sending the material.

3. Your cooperation and patience is much appreciated.

Courage!
